HANDBOOK

The Philosophy of United South Central High School

The purpose of United South Central High School is to create an environment in partnership with parents and the community that allows each student to develop his/her abilities.

Extra-Curricular Philosophy of United South Central High School

The JH, C, and JV Philosophy is to allow students to participate in as many activities as possible. No cuts are made at this level. Coaches are expected to play all student athletes, but not all will necessarily play the same amount of time. We would hope that students who participate in our extra-curricular programs enjoy their experience regardless of their skill level and/or playing time. Most of our programs allow the students to compete against opponents with similar skills. At these levels, participation is our main objective, and we promote the learning of social and athletic skills through the winning and losing process.

The Varsity Philosophy is to participate at the highest level of high school athletics, which demands a greater amount of dedication on the part of the students. At this level, it may be necessary to cut some students because of facilities/coaching limitations and MSHSL restrictions put on official tournament squad sizes. Although we believe that all students should have an opportunity to participate at the varsity level, winning will not be sacrificed so that everyone has a chance to play.

Extra-Curricular Forms Needed to Complete

Students must have Five (5) forms on file with the athletic director before they can practice or be issued equipment:

1. A physical must be completed and signed by a doctor. They are good for 3 years.
2. The parent permit questionnaire must be completed and signed by parents. This can be found on the back of the eligibility form.
3. The eligibility form must be read and signed by both parents and students.
4. An insurance waiver form must be read and signed by both parents and students.

5. The Concussion Management Addendum must be read and signed by both parents and students.

Extra-Curricular Mandatory Rules Meeting

All students and parent/guardian must attend a USC Rules and Policy meeting at least once every year from grades 7-12. This meeting will update parents on all school and MSHSL rules, policies, and procedures. This years meeting is August 14th, 2018 @ 8:01pm in the High School Auditorium.

Fee Structure Policy

The extra-curricular fee system for all boys and girls in grade 7-12 will be as follows:

Grade 9-12 (Football \$75.00)	\$ 60.00
Grade 7-8	\$ 40.00
Fine Arts (Band/Choir)	\$ 25.00
Other Fine Arts	\$ 30.00
Maximum fee per family	\$ 280.00

1. Fees must be paid by the first contest.
2. Team managers do not pay fees.
3. No refunds will be issued except for medical reasons or family moves. Refunds will then be pro-rated.
4. No refunds for violations of team or MSHSL rules!

Injury Release

When a student has gone to a doctor for an injury or a major illness, he/she must have a release from the doctor before being allowed to participate in extra-curricular sports.

Insurance

The school does not carry medical insurance on students who participate in extra-curricular activities. Parents are responsible for their child. Information regarding student insurance that may be purchased can be obtained in the Athletic Director's office the first week of the school year.

Student Transportation to Extra-Curricular Activities Policy

Students must ride a school vehicle to extra-curricular activities away from home. Exceptions may be considered with prior approval from school administration. Students will then return to Wells in the same school vehicle they took to the activity. Though highly encouraged to return with school transportation, an exception to this rule will permit the students to ride home with an adult if they have a letter signed by their parent and principal and/or athletic director in advance.

Practice & Practice Times

The majority of United South Central extra-curricular activities will practice after the regular school day. Morning practices may occur in the winter months as gym space is limited. The following chart lays out approximate seasonal practice times.

<u>Fall</u>	<u>Winter</u>	<u>Spring</u>
3:25-5:30	3:15-5:15 (Session I)	3:25-5:30
	5:15-7:15 (Session II)	

Wednesdays Only

3:15-4:30 (Session I)
4:15-5:45 (Session II)

Athletes must join the team at the beginning of each season and attend all practices unless **excused by the head coach**. Failure to do so will result in removal from the team during the season or refusal to be on the team after the season starts.

Student activities are a vital part of secondary education. They provide opportunities for students to organize and play, to assume leadership roles, to gain recognition and identity, to experience self-governance, to build self-concept, to recreate physically and emotionally, and to mature socially.

A healthy balance of activity is important in the life of a student. Parents, students and school staff need to establish priorities recognizing that a good education depends upon a high value being placed upon the learning environment in the classroom and quality family time. Most students will find little time for a job if other more important factors have been properly considered.

With the above “philosophy” in mind, the following guidelines are to be used during the school year in connection with the USC extra-curricular activities program:

1. Wednesday is recognized as “Church/Family Night” with no school activities after 6:00pm. Future scheduling should reflect this policy. Exceptions will be allowed only after careful consideration and unavoidable circumstances. School board approval may be needed for any exceptions.
2. No practices will be allowed on Sunday and events may be scheduled only with School Board approval.
3. A student day at school should not begin before 6:00 a.m. and end no later than 10:00 p.m., therefore all activity practices should be held within these times. Students must be in school and stay in school, by 10:00am to participate in practices and events. The only exceptions are: appointments and funerals. ***New – if a student attends a.m. practice they must be in school for the remainder of the day or be penalized at the next activity by not participating.**
4. When inclement weather affects the practice session, the following procedures will be followed:
 - a. If the administration closes school because of the inclement weather, all practices are cancelled. **Games can be played and the decision is**

left to administration.

- b. In the event that there is inclement weather, but school is not closed, practices are optional.
- 5. It is recognized that student initiated practices or “captains practices” do occur. Attendance at these practices must be optional and coaches/directors may need to counsel students to limit the time devoted to these practices.
- 6. There is an ongoing need for frequent communications between classroom teachers and coaches/directors who must emphasize the importance of academics. It is understood that students be allowed to miss practices for tests, make-up labs, and special help from teachers, etc.
- 7. There is a need for communications between the Principal’s office and coaches/directors/advisors to monitor the eligibility list at the end of each grading period. It is our primary responsibility to ensure that all students attending school at USC successfully achieve a defined set of academic goals.
- 8. Two-a-day practices may be scheduled during the season. This practice is left up to the coaches’ discretion.

USC Weight Room Procedures

Students athletes are **STRONGLY** encouraged to participate in weight room conditioning through out the season. The weight room is open 3 days a week (M-W-F) year round from 6:30am – 8:00am. Individual coaches may arrange other times with their athletes depending on the needs/availability of the team. Weight Room participation is **NOT MANDATORY** unless requested by a head coach **DURING** their season as a practice or conditioning. All students must be **supervised** in the weight room.

JH Participation Policy

The following policy of the United South Central Public Schools pertains to the participation of Jr. High School students (grades 7-8) in the athletic programs at the senior high levels (grades 9-10-11-12).

In those sports where the middle school provides a team, student-athletes will participate at their respective level. Exceptional student-athletes may be asked to try-out for/participate at the senior high level. These individuals must clearly demonstrate:

- a. Athletic ability above and beyond their class (higher level potential).
- b. Satisfactory academic achievement.
- c. Satisfactory behavior.
- d. The physical and emotional maturity to accept this additional responsibility.

This criteria must be agreed upon by each of the following: 1) the student-athlete, 2) the parent or guardian, 3) the principal, 4) the athletic director, and 5) the senior high coach.

Jr. High School athletes participating on high school teams must complete all high school athletic registration requirements and are subject to all high school and Minnesota State High School League activity rules.

USC Traveling Team Philosophy

USC School approves of traveling teams and the use of our facilities for practice or games if they meet the following criteria.

1. All students in a grade or level are included. No cuts or limits on numbers.
2. The games and practices may not be held during any current USC athletic season.
3. Students and coaches on these teams represent our school, our athletic programs, and our community. Sportsmanship and proper behavior by students, coaches, and fans is expected.

CHEMICAL AWARENESS MEETINGS

Chemical Awareness meetings will be conducted each School year.

All students in an activity and parents will be required to attend this meeting each year or make arrangements with the activity director to go over these guidelines before they are allowed to participate.

The purpose of the meeting is:

- a. to create an awareness for students, parents and coaches of the chemical use problem among students and the hazards thereof.
- b. to clarify the rules, policies and procedures of the Minnesota State High School League, our high school, and individual teams/groups as they pertain to activities.

The format for the meeting is a large general session followed by small breakout sessions with each individual fall sport. Individual team meetings for winter and spring sports can be held just prior to those seasons. The general session consists of a welcome and introductions, an explanation of MSHSL and school rules, and comments by the activities director. The individual team meetings will cover an explanation of team rules, policies, and procedures. Coaches should be prepared to answer any questions about their program that students/parents may have.

A. Bylaw: During the calendar year, regardless of the quantity, a student shall not: (1) use or have in possession a beverage containing alcohol; (2) use or be in possession of tobacco; (3) have in their possession drug paraphernalia or (4) use or consume, have in possession, buy, sell, or give away any other controlled substance.

1. The bylaw applies to the twelve (12) month calendar year

Denial Disqualification: A student shall be disqualified from all interscholastic athletics for nine (9) additional weeks beyond the student's original period of ineligibility when the student denies violation of the rule, is allowed to participate, and then is subsequently found guilty of the violation.

Community Service: Violation hours **MUST BE** community service hours not work related hours. They must be completed **PRIOR** to participation in any events. Violation hours must be turned in by Friday at 3pm for weekend activities.

**Students are allowed (expected) to practice, but they may neither compete nor participate in any contests until their consequence has been served and completed.

**Penalties shall be cumulative for all students beginning in grade 7. They will reset in grade 9 and be cumulative through the remainder of each athlete's high school career.

**The penalties for the use of tobacco, mood altering chemicals, and harassment are enforced twelve months a year.

**Students cannot use one category to satisfy another category.

Fair Hearing Procedure

The League Constitution provides a Fair Hearing Procedure for the student or parent contesting a school's failure to certify the eligibility of a student. **The student has 10 calendar days in which to appeal the school's decision.** The appeals process includes an appeal before a hearing panel at the school and the right, if desired, to appeal that decision to the League's Board of Directors. An independent hearing examiner panel will hear the appeal and make written findings of fact, conclusions and a recommendation for the Board of Directors following the hearing. The Board's decision shall be final. A complete listing of the Fair Hearing Procedure may be obtained from the athletic director or principal of the high school.

End of the Season Awards

No student-athlete may receive an end of the season award(s), (all conference, all-area, most valuable, etc....), if he or she is ineligible during that sport season. (Example: a student-athlete who becomes ineligible during the school year will not receive any individual award(s) during the season that the incident occurred...or if the violation should occur before he/she participates in an activity then the student-athlete will not receive any post season recognition during the season in which the violation is satisfied). By the "end of the season awards" we are referring to those awards nominated by the coach/team and voted on by coaches or by teammates.

Students **MAY** still letter in their respective sports, despite violation, if they have satisfied the ineligibility requirement and still meet the lettering criteria according to their coaches. Final decisions regarding the lettering of USC athletes is up to both the Coaches and Activities Director.

In conference sports where end of the season tournaments are held, an individual will be allowed to compete, as long as the regulations on missed contests and weeks has been met. Regardless of tournament placing, these individuals will not be recognized in any fashion as “all conference athletes”. This is true for all post-season individual tournaments.

School Eligibility Policy

The athletic or fine arts arena is an extension of the school classroom. All school policies regarding harassment, behavior, or actions apply to student athletes as well as coaches and advisors.

Academic Eligibility Policy

United South Central High School of Wells, Minnesota, in recognition and affirmation that the primary responsibility of all students attending school is the successful achievement of a defined set of academic goals culminating in graduation and that participation in extra-curricular and co-curricular activities is a privilege granted and commensurate with the maintenance progress toward those goals, hereby institutes the following academic ineligibility policy.

Eligibility Standards

A. If, at the end of any grading period, a student has acquired one failure or incomplete in any class; the student will be on probation for a week. At the end of the quarter any failures or incompletes, the student will be ineligible (no probation period). Grades will be reviewed at more frequent intervals as determined by the principal. Said student must turn in a blue slip that is signed by their teacher that they are passing by Friday at 2:00pm. Failure to do so will result in ineligibility for the following week.

B. If, at the end of any grading period, a student who is enrolled in any special education class is not meeting the goals of the IEP, or is not making reasonable progress towards IEP or classroom goals based on the case manager, the student will be declared ineligible.

Length and Terms of Ineligibility:

A. If a student is declared ineligible, he/she will be ineligible initially for a period of one class week.

B. If a student is declared ineligible, he/she will be re-evaluated at the end of one class week to determine his/her eligibility status. When the student is passing all classes, he/she becomes eligible for activities.

C. If at the end of the one week period the student is still failing, he/she will be monitored weekly to determine his/her progress. When the student has earned passing marks, he/she becomes eligible the following Monday for activities.

D. Ineligibility will begin on the Monday following the issuance of grade reports.

E. A student may practice during the term of ineligibility.

F. Students who withdrawal/fail for a class will immediately be ineligible for any activities for a full week on the Monday after WF is placed on the transcript. If WF happens on a Monday, the ineligibility will start immediately.

Process of Appeal:

A student who is declared ineligible shall have the right to appeal his/her ineligibility status by requesting, in writing, a hearing that shall include the following:

- The student
- Teacher(s) of the class(es)
- Athletic Director

Principal
Counselor

The appeal is to be completed with the following timeline:

Request for hearing: An appeal must be submitted in writing to the principal's office within twenty-four hours of notification of failure.

The hearing will be held within twenty-four hours after receipt of request of appeal. A decision of eligibility status will be rendered at this time.

Varsity Letter Philosophy

The varsity letter award is presented to the student that reaches a high level of achievement in each state high school league sponsored activity. The purpose of the award is to have the student set their sights high and to work diligently to reach their goals. Once achieved, the student should feel proud of his/her accomplishments. Lettering criteria is established by each sport, and final decisions are made by coaches and the Athletic Director.

However MSHSL activities take precedence over club and Community Ed. type activities including dance, which is run by private businesses. Students are expected to participate in their league activity if they are out. Failure to do so could lead to dismissal from your team.

Conference Affiliation

United South Central is a member of the Gopher Athletic Conference. The Gopher Conf. is a highly competitive and prestigious conference that contains some of the quality schools and teams of not only south central Minnesota, but of the entire state. The following are a list of schools and their nicknames that are in the Gopher:

Bethlehem Academy	Cardinals
Blooming Prairie	Blossoms
Hayfield	Vikings
Maple River	Eagles
Medford	Tigers
New Richland-Hartland-Ellendale-Geneva	Panthers
Waterville-Elysian-Morristown	Buccaneers

**In some activities, we do not solely participate in the Gopher Conference. With the new district football schedule, we compete in the Mid-Southeast district. In Girls Tennis, the Rebels participate in the Minnesota River Conference.

Risk Related

Parents and students should be aware that there is a risk of injury when participating in extra-curricular activities. When parents allow their child to participate in these activities, they are assuming a portion of the liability if an injury should occur.
